Dear Jeremy

**REQUEST FOR TRADING HALT**

In accordance with Listing Rule 17.1, Quest Minerals Limited (ASX: QNL; the Company) requests that a Trading Halt be applied to the Company's securities with effect from the commencement of trading on Friday 19 January 2018.

The Company requests the trading halt in accordance with the requirements of paragraph 5.4 of Guidance Note 12, as the Company will be holding a shareholders' meeting at 3.00 pm WST on Friday 19 January 2018 to consider the acquisition of Austrian Projects Corporation Pty Ltd and associated resolutions (the "Acquisition"). This is a transaction to which Listing Rules 11.1.2 and 11.1.3 apply.

The Company anticipates that the Trading Halt would continue until the conclusion of the shareholders' meeting. If shareholders approve the Acquisition, the Company will thereupon request a voluntary suspension of its securities from official quotation under Listing Rule 17.2 until completion of the Company's recompliance with Chapters 1 and 2 of the Listing Rules, in accordance with Guidance Note 12.

The Company is not aware of any reason why the Trading Halt should not be granted.

Please contact me if you have any queries.

Yours sincerely

David Palumbo

**Company Secretary**
